Our program creates a constant flow of revenue that will help fund your organization this year and for years to come.

Great News! Surge365 has launched a powerful tool to help fund your nonprofit mission...

We live in an increasingly mobile world. Everyone, including your members and supporters, are traveling...personal travel, vacations, business, cruises, international, and domestic. In 2017, digital travel (or online bookings) generated \$649 billion and is increasing every year.

Everyone books online! Organization members and supporters making travel arrangements through Surge365's Vortex produces substantial cash & rewards from the very same hotels, airlines, cruise lines and rental cars supporters currently use. Surge365's automated website uses the same technology and provides the same features as other online booking services such as Expedia, hotels .com, and Travago...with a wonderful difference that can greatly benefits your organization and and supporters...

Through Surge365's complimentary Vortex website, members and supporters can book their personal and business travel 24 hours a day, 7 days a week. Members & Supporters save when they book travel online through "The Vortex"...and 100% of the MONEY THEY SAVE IS given to your organization.

For Example:

Vortex provides visitors & supporters a savings benefit and your organization earns what they save!
