Announcing Winners Circle Awards and Winners Win Workshop Events!

We are proud to introduce the all new Winners Circle Awards with Winners Win Workshop Events! These 2-day events are designed to deliver a no-holds-barred weekend that will take your business by force.

We'll kick the weekend off on Friday with the **Winners Circle Awards** celebration recognizing new promotions, achievements, and the results of the first 12-Week Challenge!

Then on Saturday, global facilitator of entrepreneurship and advanced Network Marketing trainer, Dr. Christopher Cokley and his handpicked lineup of accomplished trainers, take the stage for the **Winners Win Workshop** to assist you with a successful transition to accomplished entrepreneur.
